County Service Areas M-30 and R-7 Sphere of Influence Updates

Dear Members of the Commission:

In April 2010, LAFCO completed a Municipal Services Review (MSR) covering cemetery, parks and recreation services (available online at www.contracostalafco.org/municipal_service_reviews.htm), and subsequently updated the SOIs for most agencies covered in the report, with the exception of Rollingwood Wilart Park Recreation & Park District (RWPRPD), and County Service Areas (CSAs) M-30, R-4 and R-7.

With regard to RWPRPD and CSA R-4, the Commission deferred SOI updates to allow an additional 12 months for ongoing coordination with the affected agencies. With regard to CSAs M-30 and R-7, the Commission deferred SOI updates pending further review and discussions with affected agencies, and directed LAFCO staff to report back to the Commission.

On June 18, representatives from County Supervisor Mary Nejedly Piepho’s office, County Public Works and LAFCO staff met to discuss governance and SOI options relating to CSAs M-30 and R-7. A summary of this meeting was provided to the Commission in July. At that time, LAFCO staff reported that the group thought it would be beneficial to receive further input from the Alamo Municipal Advisory Council (MAC) regarding the options. The MAC is scheduled to discuss the matter at their meeting on August 4. A supplemental staff report will be provided following the MAC meeting.

Please contact the LAFCO office if you have questions.

Sincerely,

LOU ANN TEXEIRA
 EXECUTIVE OFFICER
