Northeast Antioch Monthly Update

Dear Commissioners:

On February 9, 2011 the Commission approved the extension of out of agency service by the City of Antioch and Delta Diablo Sanitation District to the Marsh Landing Generating Station property located in unincorporated northeast Antioch. The Commission’s approval requires that the City and County provide LAFCO with monthly updates regarding the status of the joint City/County Economic Development Strategy for northeast Antioch, the proposed annexation of the area, and the tax transfer negotiations. A subcommittee was formed to address these issues.

LAFCO representatives participated in the monthly subcommittee meetings since April 2011; and the City and County have provided LAFCO with monthly updates since that time.

The subcommittee last met on October 24. Since that time, the City and the County have been engaged in the tax transfer negotiations. At the February 8th LAFCO meeting, the agencies reported that negotiations have been productive and the parties have reached agreement on the financial deal points. The City and County will provide an update to LAFCO at its March 14th meeting.

RECOMMENDATION - Receive the monthly update and provide direction as appropriate.

Sincerely,

LOU ANN TEXEIRA
