AB 2238 (Perea D) **Public water systems: drinking water.**

Current Text: Introduced: 2/24/2012 [pdf](#) [html](#)

Introduced: 2/24/2012

Status: 2/27/2012-Read first time.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Would require the State Department of Public Health to promote the consolidation and merger of small community water systems that serve disadvantaged communities, as specified, and would require the studies performed prior to a construction project to include the feasibility of consolidating or merging community water systems. This bill would also require the department to give priority to funding projects involving managerial consolidation or merger when the consolidation or merger would further specified goals. This bill contains other related provisions and other current laws.

Position: None at this time

Subject: Water, Municipal Services

CALAFCO Comments: This bill, sponsored by California Rural Legal Assistance, would require LAFCo to determine the feasibility of consolidations and other service efficiency options in every MSR. It would also require LAFCo to determine compliance with the Safe Drinking Water Act. Both are discretionary under current law. It would also make LAFCo eligible to apply for certain water grants and loans to pay for the feasibility studies.

AB 2291 (Gordon D) **Local agency formation: extension of services.**

Current Text: Introduced: 2/24/2012 [pdf](#) [html](#)

Introduced: 2/24/2012

Status: 2/27/2012-Read first time.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Current law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, authorizes a local agency formation commission, until January 1, 2013, to review and comment on the extension of services into previously unserved territory within unincorporated areas and the creation of new service providers to extend urban-type development into previously unserved areas to ensure that the proposed extension is consistent with the policies of the commission and certain policies under state law. This bill would eliminate the repeal date of January 1, 2013.

Position: None at this time

CALAFCO Comments: We believe this is a placeholder bill. CALAFCO Legislative Committee supports letting this section sunset as no LAFCo uses these provisions.

AB 2624 (Smyth R) **Sustainable communities.**

Current Text: Introduced: 2/24/2012 [pdf](#) [html](#)

Introduced: 2/24/2012

Status: 2/27/2012-Read first time.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

The Strategic Growth Council is required to manage and award grants and loans to a council of governments, metropolitan planning organization, regional transportation planning agency, city, county, or joint powers authority for the purpose of developing, adopting, and implementing a regional plan or other planning instrument to support the planning and development of sustainable communities. This bill would make a local agency formation commission eligible for the award of financial assistance for those planning purposes.

Position: Support

Subject: Sustainable Community Plans

CALAFCO Comments: Makes LAFCo an eligible agency to apply for Strategic Growth Council grants. Sponsored by CALAFCO.

SB 1498 (Emmerson R) Local agency formation commission: powers.

Current Text: Introduced: 2/24/2012 [pdf](#) [html](#)

Introduced: 2/24/2012

Status: 2/27/2012-Read first time.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Would authorize a local agency formation commission to authorize a city or district to provide new or current services outside its jurisdictional boundaries and outside its sphere of influence to support current or planned uses involving public or private properties, subject to approval at a noticed public hearing, in which certain determinations are made. The bill would also authorize the commission to delegate to its executive officer the approval of certain requests to authorize a city or district to provide new or extended services outside its jurisdictional boundaries or outside its sphere of influence, as described above, under specified circumstances. The bill would also make certain technical, nonsubstantive, and conforming changes. This bill contains other related provisions and other current laws.

Position: None at this time

Subject: Municipal Services

CALAFCO Comments: Sponsored by the League of Cities, this bill does two things: 1) it includes the CALAFCO proposed language on expanding out-of-agency service authority (56133) and 2) removes the annexation requirements from SB 244. Those provisions require a city to apply to annex a disadvantaged unincorporated community if they apply to annex adjacent uninhabited territory.

SB 1566 (Negrete McLeod D) Vehicle license fees: allocation.

Current Text: Introduced: 2/24/2012 [pdf](#) [html](#)

Introduced: 2/24/2012

Status: 2/27/2012-Read first time.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Current law requires that a specified amount of motor vehicle license fees deposited to the credit of the Motor Vehicle License Fee Account in the Transportation Tax Fund be allocated by the Controller, as specified, to the Local Law Enforcement Services Account in the Local Revenue Fund 2011, for allocation to cities, counties, and cities and counties. This bill would instead require, on and after July 1, 2012, that those revenues be distributed first to each city that was incorporated from an unincorporated territory after August 5, 2004, in an amount determined pursuant to a specified formula and second to each city that was incorporated before August 5, 2004, in an amount determined pursuant to a specified formula. By authorizing within the Motor Vehicle License Fee Account in the Transportation Tax Fund, a continuously appropriated fund, to be used for a new purpose, the bill would make an appropriation. This bill contains other related provisions and other current laws.

Position: Support

Subject: Annexation Proceedings, Tax Allocation

CALAFCO Comments: This problem would correct the VLF problem created by last year's budget bill SB 89, and restore VLF to recent incorporations and inhabited annexations.

AB 46 (John A. Pérez D) Local government: cities.

Current Text: Amended: 6/28/2011 [pdf](#) [html](#)

Introduced: 12/6/2010

Last Amended: 6/28/2011

Status: 8/29/2011-Read third time. Refused passage. (Ayes 13. Noes 17. Page 2084.).

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Would provide that every city with a population of less than 150 people as of January 1, 2010, would be disincorporated into that city's respective county as of 91 days after the effective date of the bill, unless a county board of supervisors determines, by majority vote within the 90-day period following enactment of these provisions, that continuing such a city within that county's boundaries would serve a public purpose if the board of supervisors determines that the city is in an isolated rural location that makes it impractical for the residents of the community to organize in another form of local governance. The bill would also require the local agency formation commission within the

county to oversee the terms and conditions of the disincorporation of the city, as specified. This bill contains other related provisions.

Position: None at this time

Subject: Disincorporation/dissolution

CALAFCO Comments: As written this bill applies only to Vernon, California. It bypasses much of the C-K-H disincorporation process, leaving LAFCo only the responsibility of assigning assets and liabilities following disincorporation.

AB 781 (John A. Pérez D) Local government: counties: unincorporated areas.

Current Text: Amended: 8/29/2011 [pdf](#) [html](#)

Introduced: 2/17/2011

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Would authorize the board of supervisors of a county in which a city that will be disincorporated pursuant to statute is located to vote to continue that city if, after receipt of an audit conducted by the State Auditor, the board of supervisors determines that the territory to be disincorporated is not expected to generate revenues sufficient to provide public services and facilities, maintain a reasonable reserve, and pay its obligations during the 5 years following disincorporation. The bill would require a city that is audited pursuant to these provisions to reimburse the State Auditor for the costs incurred to perform the audit, thereby imposing a state-mandated local program. This bill contains other related provisions and other current laws.

Position: Watch

Subject: Disincorporation/dissolution, Special District Principle Acts

CALAFCO Comments: This bill was gutted and amended on 20 June to create a CSD in any unincorporated area that was previously a city and was disincorporated by the legislature. It is specifically targeted at Vernon. It also contains language directing LAFCo on the terms and conditions of the disincorporation.

AB 2115 (Alejo D) Recreation and park districts: powers and duties.

Summary:

Current law provides for the establishment of recreation and park districts prescribes procedures for, among other things, the formation of the district, and sets forth the powers and duties of the district board of directors. This bill would make various technical, nonsubstantive changes in the provisions governing the powers and duties of a recreation and park district.

Position: None at this time

Subject: Special District Principle Acts

CALAFCO Comments: Placeholder Bill on Park and Recreation Districts.

AB 2210 (Smyth R) Local agencies: jurisdictional changes: allocation of property tax revenues.

Summary:

Current law requires an auditor to estimate the amount of property tax revenue generated within the territory and to notify the governing body of each local agency whose service area or service responsibility will be altered by the amount of, and allocation factors with respect to, property tax revenue that is subject to a negotiated exchange. This bill would make a clarifying change to the auditor's notification requirement described above. This bill would also make other technical, nonsubstantive changes to the provisions described above.

Position: None at this time

Subject: Annexation Proceedings

CALAFCO Comments: Placeholder bill on property tax exchange agreements.

This bill would require the annual report to include percentages of district revenues spent on district administration and on health care activities.

Summary:

Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, the state is required to provide a subvention of funds to reimburse the local government. With regard to certain mandates imposed on a city, county, city and county, or special district that have been determine to be payable, the Legislature is required either to appropriate, in the annual Budget Act, the full payable amount of the mandate, determined as specified, or to suspend the operation of the mandate for the fiscal year. The California Constitution provides that the Legislature is not required to appropriate funds for specified mandates.

Position: None at this time

Subject: LAFCo Administration

CALAFCO Comments: Changes state mandate law in a proposed constitutional amendment. Included is specific language that releases mandate responsibility if the local agency can change an individual or applicant for the cost of providing the mandated service. Would likely exempt some mandates to LAFCo from state funding.

Summary:

Current law prescribes procedures for the formation of regional park districts, regional park and open-space districts, or regional open-space districts. Current law authorizes 3 or more cities, together with any parcel or parcels of city or county territory, whether in the same or different counties, to organize and incorporate, but requires that all the territory in the proposed district be contiguous. This bill would revise the above authorization to instead only allow district formation for 4 or more cities.

Summary:

Current law, the Desert View Water District-Bighorn Mountains Water Agency Consolidation Law, effected a consolidation between the Desert View Water District and the Bighorn Mountains Water Agency and required the successor board of directors to operate under the Bighorn Mountains Water Agency Law. Under current law, for a period of not less than 10 years after January 1, 1990, meetings of the successor board of directors are required to be held, as prescribed. This bill would make a technical, nonsubstantive change in these provisions.
