

1st House	2nd House	Conc.
-----------	-----------	-------

Summary:

Beginning with the 2004-05 fiscal year, current law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a vehicle license fee property tax compensation fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions, for the 2014-15 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

Summary:

Current law, operative on July 1, 2014, and repealed as of January 1 of the next calendar year occurring after the State Water Resources Control Board provides notice to the Legislature and the Secretary of State and posts notice on its Internet Web site that the board has adopted a policy handbook, requires the board to establish a priority list of proposed projects to be considered for funding. This bill would require the board to give priority to funding the consolidation of public water systems based upon a service review developed by a local agency formation commission.

CALAFCO Comments: As amended, this bill requires the State Water Resources Control Board to consider LAFCo studies as part of their funding and alternative services considerations, and requires the Board to give priority funding to consolidations where appropriate based on those MSRs.

The bill has undergone a number of substantial amendments, consequently eliminating the provision that LAFCos be added to the list of eligible entities for receiving grant funding from the Strategic Growth Council.

Summary:

Would require each county to develop, on or before January 2, 2018, a sustainable farmland strategy. The bill would require the sustainable farmland strategy to include, among other things, a map and inventory of all agriculturally zoned land within the county, a description of the goals, strategies, and related policies and ordinances, to retain agriculturally zoned land where practical and mitigate the loss of agriculturally zoned land to nonagricultural uses or zones, and a page on the county's Internet Web site with the relevant documentation for the goals, strategies, and related policies and ordinances, as specified.

Subject: Ag/Open Space Protection, CKH General Procedures, LAFCo Administration

CALAFCO Comments: As amended, the bill requires counties with 4% or more of its land zoned as agricultural to create a sustainable farmland strategy (sfs) effective January 1, 2018, in consultation with cities and LAFCo, and to update the sfs as necessary. The bill also requires OPR to create best practices that support ag land retention and mitigation. The bill creates an unfunded mandate for counties.

CALAFCO Comments: As amended, the bill is intended to provide an incentive to cities to annex disadvantaged unincorporated communities by creating an option for a funding mechanism using a property tax sharing agreement by affected entities (to share the 1% tax

dollars) and ensuing tax increment. A special district would be created to act as the vehicle for that funding. The bill allows LAFCo to consider, as part of the application, the formation of a new district or the reorganization of an existing district, but only if all of the affected agencies are in agreement.
