**Informational Presentation – Town of Discovery Bay Community Services District**

Dear Members of the Commission:

This is the fourth in a series of presentations from local agencies in Contra Costa County regarding their drought management efforts.

We previously heard from Contra Costa Water District, East Bay Municipal Utility District and Diablo Water District.

Today, we are pleased to welcome Rick Howard, General Manager, Town of Discovery Bay Community Services District. Rick joined the District in June 2010 as General Manager. He is responsible for the day-to-day operations of the District, which provides water, wastewater, landscape services and recreational opportunities to more than 14,000 residents in the waterfront community situated on the California Delta in eastern Contra Costa County.

Prior experience includes serving in executive level positions for the North County Transit District (Oceanside, CA); City of Mission Viejo, CA; and City of Poway, CA.

Rick holds a Bachelor’s Degree in Political Science from the University of San Diego and a Master’s Degree in Public Administration from the University of Southern California.

Sincerely,

LOU ANN TEXEIRA
