**Informational Presentation – Central Contra Costa Sanitary District**

Dear Members of the Commission:

This is the fifth in a series of presentations from local agencies in Contra Costa County regarding their drought management efforts.

We previously heard from Contra Costa Water District, East Bay Municipal Utility District, Diablo Water District, and Town of Discovery Bay Community Services District.

Today, we are pleased to welcome Melody LaBella, an Associate Engineer with Central Contra Costa Sanitary District. Melody has been with the District for over 15 years, where her work has focused on pollution prevention, recycled water and regulatory planning. Melody has helped grow the District’s Recycled Water Program by providing technical, marketing and outreach support, developing new programs, and collaborating with water purveyors and recycled water agencies to develop new projects and pursue grant funding.

Melody holds a B.S. in Environmental Engineering from Penn State University and is a Registered Professional Civil Engineer in California.

Sincerely,

LOU ANN TEXEIRA  
EXECUTIVE OFFICER
