Conferences and Workshops Update

2015 ANNUAL CONFERENCE A SUCCESS

A final Conference report was provided to the Board on November 13. Participant evaluations rated the overall experience a 5.2 out of 6.0, and there was an evaluation return rate of approximately 38%, which is the highest ever received. Financially,

the Conference was successful in that revenues slightly exceeded budget and expenses were lower than budgeted. Overall, it appears a net profit of approximately 34% was earned, which exceeds the Association's policy of 15%. This year, \$18,738 was received in Conference Sponsorships.

Total attendance was 252 registrants with 11 guests and 17 guest speakers, for a total of 280. CALAFCO wishes to once again thank our Conference host, **Sacramento LAFCo**, and program committee chair **David Church**, along with everyone who helped to plan and execute this year's Annual Conference. All Conference materials are posted on the CALAFCO website.

2016 STAFF WORKSHOP

Plans are underway for the 2016 Staff Workshop. Our host this year is **Los Angeles LAFCo** and we will be at the Hilton Universal City. The Workshop is set for March 30 - April 1. The theme is **JEOPARDY: What is the Evolving Role of LAFCo?** A special Mobile Workshop panel and tour is planned at Universal Studios to learn about the NBC Universal Evolution Plan, Alt. No. 10: No Residential Alternative, and the program planning committee and host LAFCo are planning a fun

surprise for our luncheon and dinner entertainment! Look for program and registration details coming soon.

2016 ANNUAL CONFERENCE

The program planning committee is being formed to begin planning the program for the next Annual Conference. The dates are **October 26 - 28, 2016**. We will be hosted by the **Santa Barbara LAFCo** and will be at the Fess Parker DoubleTree by Hilton. Planning for this conference will get underway shortly.

CALAFCO U Update

The final CALAFCO U for 2015 was held in Sacramento on November 9. The topic was **Implementing SB 88 - Water System Consolidations: What Does It Mean For LAFCo?** Panelists included staff from the State Water Resources Control Board (SWRCB) and the Governor's Office of Planning and Research (OPR). After hearing about the functions of the SWRCB, an overview of SB 88 and how the SWRCB plans to implement the legislation, attendees had an opportunity, in small group discussions, to provide the panel feedback on potential issues, how we see LAFCo involved in the implementation, and what would be needed in order to make that work. This information is being collated and will be presented back to the SWRCB and OPR, and used by CALAFCO to work on clean-up legislation this coming year. There were a total of 34 people in attendance. Initial evaluation results indicate the session was very well received.

CALAFCO Board Actions

The Board met on November 13 and took the following administrative actions:

- ◆ Made Board Committee appointments as noted above;
- ◆ Received and filed the 1st Quarter financial reports indicating the Association continues to be in strong fiscal health;
- ◆ Renewed the contract of CALAFCO's Administrator Jeni Tickler for another three years;
- ◆ Renewed the Executive Director's contract for three years, and approved the change in compensation to account for an average of 32/hrs. week as part of that contract renewal (as previously approved by the Board and reported to the membership);
- ◆ Adopted a revised FY 2015-16 budget based on all of the Board's organizational changes made at their July 31 meeting;
- ◆ Approved the recommended 2016 Legislative Committee staff appointments;
- ◆ Reviewed the Association's current Legislative Policies, which resulted in no recommendations for potential changes; and

- Received the request for consideration of a CALAFCO Code of Ethics Policy, and supported the idea of a subcommittee creating a draft policy for the Board's review and consideration at their February 2016 meeting.

CALAFCO Legislative Update

2016 will be the second year of the two-year legislative cycle. The Legislative Committee (Committee) held its first meeting via conference call November 6 with the first in-person meeting set for December 11 in Sacramento. While the legislature is currently out of session, there is a lot of work going on behind the scenes.

During the legislative recess, CALAFCO's work with OPR and the SWRCB continues. OPR has been holding a series of land use and water workshops along with rural communities workshops, planning six across the state over the past two months or so. While attendance to these workshops is by OPR invitation only, CALAFCO has ensured at least one LAFCo has been present at each one.

CALAFCO conducted a two-part series of LAFCO 101 in the Capitol for legislative staff the first two weeks of November. While attendance was lower than anticipated, those that did attend took away an enlightened understanding of LAFCo authority.

During their November meeting, the Board took a great deal of time deliberating the Legislative Committee's feedback of potential legislative priorities for 2016 during their November 13 meeting. The outcome of those deliberations was a general consensus of the priorities for 2016 which will be reported back to the Legislative Committee during their December 11 meeting. Those priorities include maintaining a focus on potential legislation to strengthen the relations between LAFCos and JPAs, limiting the number of items that are contained within the 2016 annual Omnibus bill, and focusing efforts in participating in (but not sponsoring) legislation to clean up SB 88. The Board further restated their intention to sponsor legislation on amending Protest Provisions, with the focus as a priority for the 2017-2018 legislative session (rather than in 2016). The Board acknowledged other priorities are not able to be considered at this time due to CALAFCO's resource limitations.
