Summary:

Under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, current law requires that an applicant seeking a change of organization or reorganization submit a plan for providing services within the affected territory that includes, among other requirements, an enumeration and description of the services to be extended to the affected territory and an indication of when those services can feasibly be extended. This bill would specify that the plan is required to also include specific information regarding services currently provided to the affected territory, as applicable, and make related changes.

Position: Sponsor

Subject: Annexation Proceedings

CALAFCO Comments: This bill makes a fix to Gov. Code Sec. 56653 based on the court finding in the case of The City of Patterson v. Turlock Irrigation District. The court found that because the services were already being provided via an out of area service agreement, the application for annexation was deemed incomplete because it was not a new service to be provided. By making the fix in statute, any pending/future annexation for a territory that is already receiving services via an out of area service agreement will not be in jeopardy.

As amended, corrections were made to: 56653(b)(3) reading "proposed" rather than "provided", and in Government Code Section 56857 an exemption added pursuant to Public Utilities Code Section 9608 for territory already receiving electrical service under a service area agreement approved by the Public Utilities Commission pursuant to Public Utilities Code Section 9608.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides for the selection of representatives of independent special districts on each local agency formation commission by an independent special district selection committee pursuant to a nomination and election process. This bill would additionally require the executive officer to call and hold a meeting of the special district selection committee upon the adoption of a resolution of intention by the committee relating to proceedings for representation of independent special districts upon the commission pursuant to specified law.
