Legislative Update and Position Letter

Dear Members of the Commission:

The first year of the 2019-20 legislative session is now complete. The deadline for the Governor to sign or veto bills was October 13th.

Here is a summary of the “Priority 1” LAFCo related bills. For a complete summary of all LAFCo related bills see Attachment 1.

- **AB 1822** (Assembly Local Government Committee) – *Annual CALAFCO Omnibus Bill* – This bill contains minor technical changes and corrections to LAFCo law. The Governor signed the bill on 6/24/19.

- **AB 1253** (Rivas) (CALAFCO sponsored bill) – *LAFCos and Grant Funding* - This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a LAFCo grant program to help fund studies and costs associated with initiating and completing district dissolutions. This is a two-year bill.

- **AB 315** (Garcia) - *Local Government: Lobbying Associations: Expenditure of Public Funds* - This bill would restrict moneys paid to or received by an association (e.g., CALAFCO) from a local agency (e.g., LAFCo) to primarily educational activities. This bill could have a significant impact on state associations including. CALAFCO has a “watch” on this bill. This bill will be taken up in 2020.

- **AB 508** (Chu) - *Drinking Water: Consolidation and Extension of Service: Domestic Wells* - This bill allows the State Water Resources Control Board (SWRCB) to order an extension of water service to a disadvantaged community based on specific criteria., and does not require annexation in cases where that would be appropriate. CALAFCO has a “watch” on this bill. AB 508 was signed by the Governor.

- **AB 600** (Chu) – *Local Government: Organization: Disadvantaged Unincorporated Communities (DUCs)* - This bill addresses annexation and the extension of water to DUCs. CALAFCO recently removed it opposition and continues to “watch with concerns.” This bill was signed by the Governor.
• **AB 1389** (Eggman) – *Special Districts: Change of Organization: Mitigation of Revenue Loss* - This bill allows LAFCo, when approving a proposal for new or different functions or class of service for a special district, to propose the district provide payments to any affected local agency for taxes, fees or any other revenue that may have been lost as a result of the new service being provided. CALAFCO has a “watch” on this bill. AB 1389 may be acted upon in 2020.

• **AB 1628** (Rivas) – *Environmental Justice* - This bill would revise the definition of “environmental justice.” CALAFCO has a “watch” on this bill. AB 1628 was signed by the Governor.

• **AB 1751** (Chu) – *Water and Sewer System Corporations: Consolidation of Service* - This bill allows for water (public or small State) or sewer system corporations to file an application for consolidation with the SWRCB. CALAFCO has a “watch” on this bill. AB 1751 may be acted upon in 2020.

• **SB 272** (Morrell) – *Fire Protection District Law of 1987* - This bill amends the Health & Safety Code regarding the formation of zones within a fire protection district by requiring the district hold an election, regardless of the protest level, if the district wants to substantially expand (as defined in the bill) services outside the zone. CALAFCO has a “watch” on this bill. SB 272 may be acted upon in 2020.

• **SB 414** (Caballero) – *Small System Water Authority Act of 2019* - This bill is sponsored by Eastern Municipal Water District and the California Municipal Utilities Association. SB 414 gives the SWRCB authority to mandate dissolution of existing drinking water systems (public, mutual, private) and authorize formation of a new public water authority. The focus is on non-contiguous systems. The SWRCB already has the authority to mandate consolidation of these systems, this will add the authority to mandate dissolution and formation of a new public agency. LAFCo will be responsible for dissolving any state mandated public agency dissolution, and the formation of the new water authority. The SWRCB's appointed Administrator will act as the applicant on behalf of the state. LAFCo will have ability to approve with modifications the application, and the new agency will have to report to the LAFCo annually for the first three years. CALAFCO supports this bill. SB 414 may be acted upon in 2020.

• **SB 646** (Morrell) – *Local Agency Utility Services: Extension of Utility Services* - The Mitigation Fee Act (MFA), among other things, requires fees for water and sewer connections, and capacity charges imposed by a local agency not exceed the estimated reasonable cost of providing the service, unless a question regarding the amount of the fee/charge imposed in excess of the reasonable cost of providing the service or materials is submitted to and approved by 2/3 of the affected voters. The MFA defines the term “fee” for these purposes. This bill would revise the definition of “fee” to mean a fee for the physical facilities necessary to make a water connection or sewer connection, and that the estimated reasonable cost of labor and materials for installation of those facilities bears a fair or reasonable relationship to the payor’s burdens on, or benefits received from, the water connection or sewer connection. CALAFCO had a watch on this bill. The Governor signed the bill on 7/10/19.
On September 10th CALAFCO issued an urgent call for legislative action requesting that LAFCos send letters removing their opposition to AB 600 and expressing ongoing concerns. In response to CALAFCO’s request, and in accordance with the Commission’s policy (see below), a letter from Contra Costa LAFCO was sent on September 11th (see Attachment 2).

Contra Costa LAFCO’s legislative policy provides our LAFCO with flexibility to respond to urgent legislation that affects LAFCO. Specifically, the policy provides that in “situations when proposed legislation affecting LAFCO cannot be considered by the full Commission due to timing, the Executive Officer, in consultation with the LAFCO Chair (or Vice Chair in the absence of the Chair), is authorized to provide written or email comments communicating the Commission’s position if the position is consistent with the adopted legislative policies of the Commission. The Chair or Vice Chair would review the letter or email prior to it being submitted. The Executive Officer will forward the email or letter to the Commission as soon as possible. The item will be placed on the next regular LAFCO meeting agenda as either “informational” or for discussion purposes.”

**Informational only - no vote required**

Sincerely,

LOU ANN TEXEIRA
EXECUTIVE OFFICER

Attachment 2 – AB 600 - Letter Removing Opposition
**AB 315**  (Garcia, Cristina D)  Local government: lobbying associations: expenditure of public funds.

**Current Text:** Amended: 7/5/2019  html, pdf  
**Introduced:** 1/30/2019  
**Last Amended:** 7/5/2019  
**Status:** 9/13/2019-Re-referred to Com. on RLS. pursuant to Assembly Rule 96.

**Summary:**
Current law authorizes the legislative body of a local agency, defined as a county, city, or city and county, or a district, defined broadly to include other political subdivisions or public corporations in the state other than the state or a county, city and county, or city, to attend the Legislature and the Congress of the United States, and any committees thereof, and to present information regarding legislation that the legislative body or the district deems to be beneficial or detrimental to the local agency or the district. Current law also authorizes the legislative body of a local agency or a district to enter into an association for these purposes and specifies that the cost and expense incident to the legislative body's or district's membership in the association and the activities of the association are proper charges against the local agencies or districts comprising the association. This bill, with respect to moneys paid to or otherwise received by an association from a local agency or district member of the association, would prohibit an association of local agencies or districts from expending those moneys for any purpose other than the above-described activities and educational activities.

**Position:** Watch  
**CALAFCO Comments:** As gut and amended, this bill appears to have significant impact to CALAFCO in the uses of member LAFCO and certain Associate Member dues being limited to only direct educational activities. CALAFCO will engage with stakeholders and the author's office as the bill moves forward in the next legislative year.

**AB 508**  (Chu D)  Drinking water: consolidation and extension of service: domestic wells.

**Current Text:** Chaptered: 9/27/2019  html, pdf  
**Introduced:** 2/13/2019  
**Last Amended:** 8/12/2019  
**Status:** 9/27/2019-Approved by the Governor. Chaptered by Secretary of State - Chapter 352, Statutes of 2019.

**Summary:**
The California Safe Drinking Water Act requires the state board, before ordering consolidation or extension of service, to, among other things, obtain written consent from any domestic well owner for consolidation or extension of service. The act makes any domestic well owner within the consolidation or extended service area that does not provide written consent ineligible, until consent is provided, for water-related grant funding, as specified. The act also requires the state board, before ordering consolidation or extension of service, to make a finding that consolidation of the receiving water system and subsumed water system or extension of service to the subsumed water system is appropriate and technically and economically feasible. The act defines "subsumed water system" for these purposes as the public water system, state small water system, or affected residences consolidated into or receiving service from the receiving water system. This bill would modify the provision that authorizes consolidation or extension of service if a disadvantaged community is reliant on a domestic well described above to instead authorize consolidation or extension of service if a disadvantaged community, in whole or in part, is substantially reliant on domestic wells that consistently fail to provide an adequate supply of safe drinking water.

**Position:** Watch  
**Subject:** Disadvantaged Communities, Water  
**CALAFCO Comments:** This bill allows the SWRCB to order an extension of service in the case a disadvantaged community has at least one residence that are reliant on a domestic well that fails to provide safe drinking water. It allows members of the disadvantaged community to petition the SWRCB to
initiate the process and requires the SWRCB to develop policies for this process by July 1, 2020. The bill allows the owner of the property to opt out of the extension. The bill also places limitations on fees, charges and terms and conditions imposed as a result of the extension of service. Finally, the extension of service does not require annexation in the cases where that would be appropriate.

**AB 600** (Chu D) Local government: organization: disadvantaged unincorporated communities.

**Current Text:** Introduced: 2/14/2019  html  pdf

**Introduced:** 2/14/2019

**Last Amended:** 9/4/2019

**Status:** 10/8/2019-Approved by the Governor. Chaptered by Secretary of State - Chapter 612, Statutes of 2019.

**Summary:**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the authority and procedure for the initiation, conduct, and completion of changes of organization, reorganization, and sphere of influence changes for cities and districts, as specified. Existing law prohibits a local agency formation commission from approving an annexation to a city of any territory greater than 10 acres, or as determined by commission policy, where there exists a disadvantaged unincorporated community that is contiguous to the area of proposed annexation, unless an application to annex the disadvantaged unincorporated community into the subject city has been filed. This bill would clarify that the prohibition on approving an annexation involving a disadvantaged unincorporated community, as described above, applies to the annexation of territory greater than 10 acres, or smaller as determined by commission policy. The bill would also provide that the existing approval prohibition and the exemptions to the application requirement apply to the annexation of two or more contiguous areas that take place within 5 years of each other and that are individually less than 10 acres but cumulatively more than 10 acres.

**Position:** Watch With Concerns

**Subject:** Disadvantaged Communities, Water

**CALAFCO Comments:** UPDATE: As amended September 4, 2019, the bill removes all of CALAFCO’s direct policy concerns. The bill now provides clean up and clarification to 8(B) and 8(B)(i) by adding "disadvantaged" to unincorporated community; and prohibits the approval of an annexation of two or more contiguous areas that take place within 5 years of each other and that are individually less than 10 acres but cumulatively greater than 10 acres. As a result of the changes in this version of the bill, CALAFCO has removed our opposition. We do, however, remain concerned over the lack of a holistic approach by the Legislature to address service delivery issues to DUCs and the definition of a DUC.

**AB 1253** (Rivas, Robert D) Local agency formation commissions: grant program.

**Current Text:** Introduced: 2/21/2019  html  pdf

**Introduced:** 2/21/2019

**Status:** 7/10/2019-Failed Deadline pursuant to Rule 61(a)(10). (Last location was GOV. & F. on 6/6/2019) (May be acted upon Jan 2020)

**Summary:**

This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation
of the program, as specified, and would exempt these guidelines, timelines, and criteria from the
rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject
to an appropriation for the program in the annual Budget Act, and would repeal these provisions on
January 1, 2026. This bill contains other existing laws.

CALAFCO Support letter Feb 2016

**Position:** Sponsor  
**Subject:** Disadvantaged Communities, LAFCo Administration, Municipal Services, Special District
Consolidations  
**CALAFCO Comments:** This is a CALAFCO sponsored bill following up on the recommendation of the Little
Hoover Commission report of 2017 for the Legislature to provide LAFCos one-time grant funding for in-
depth studies of potential reorganization of local service providers. Last year, the Governor vetoed AB 2258
- this is the same bill. The Strategic Growth Council (SGC) will administer the grant program. Grant funds
will be used specifically for conducting special studies to identify and support opportunities to create
greater efficiencies in the provision of municipal services; to potentially initiate actions based on those
studies that remove or reduce local costs thus incentivizing local agencies to work with the LAFCO in
developing and implementing reorganization plans; and the dissolution of inactive districts (pursuant to SB
448, Wieckowski, 2017). The grant program would sunset on July 31, 2024.

The bill also changes the protest threshold for LAFCo initiated actions, solely for the purposes of actions
funded pursuant to this new section. It allows LAFCOs to order the dissolution of a district (outside of the
ones identified by the SCO) pursuant to Section 11221 of the Elections code, which is a tiered approach
based on registered voters in the affected territory (from 30% down to 10% depending).

The focus is on service providers serving disadvantaged communities. The bill also requires LAFCo pay back
grant funds in their entirety if the study is not completed within two years and requires the SGC to give
preference to LAFCOs whose decisions have been aligned with the goals of sustainable communities
strategies.

We were unsuccessful in getting the $1.5 M into the budget so the author has decided to make this a 2-
year bill and try again in the next budget. As this is a new Governor we are unsure about his willingness to
make General Fund appropriations for items not in the budget.

Summary:
Current law requires the Office of Planning and Research to be the coordinating agency in state
government for environmental justice programs. Current law requires the Director of State Planning and
Research to, among other things, coordinate its efforts and share information regarding environmental
justice programs with various federal agencies. Existing law defines “environmental justice” for these
purposes to mean the fair treatment of people of all races, cultures, and incomes with respect to the
development, adoption, implementation, and enforcement of environmental laws, regulations, and policies.
This bill would revise the definition of “environmental justice” to also include the meaningful involvement
of people of all races, cultures, incomes, and national origins with respect to those same actions, and would
provide that “environmental justice” includes, among other things, the availability of a healthy environment
for all people.

Position: Watch
Subject: Environmental Justice
CALAFCO Comments: Amended on August 26 to reflect work between CALAFCO, the author and
sponsors of the bill, the definition change in section 56668 now contains a definition specific to the context
of the section rather than the same definition contained in 30107.3 of the Public Resources Code (which
has been amended via this bill). It expands the scope of the definition of environmental justice (as one of
the factors to be considered in the review of a proposal) to include national origins and a reference to the
effects of pollution not being disproportionately borne by any particular population or community.

AB 1751 (Chiu D) Water and sewer system corporations: consolidation of service.
Introduced: 2/22/2019
Last Amended: 7/5/2019
Status: 8/30/2019-Failed Deadline pursuant to Rule 61(a)(12). (Last location was APPR. SUSPENSE FILE
on 8/12/2019)(May be acted upon Jan 2020)

Summary:
The California Safe Drinking Water Act provides for the operation of public water systems and imposes on
the State Water Resources Control Board related responsibilities and duties. Current law
authorizes the
state board to order consolidation of public water systems where a public water system or state small
water system serving a disadvantaged community consistently fails to provide an adequate supply of safe
drinking water, as provided. This bill, the Consolidation for Safe Drinking Water Act of 2019, would
authorize a water or sewer system corporation to file an application and obtain approval from the
commission through an order authorizing the water or sewer system corporation to consolidate with a
public water system or state small water system that has fewer than 3,300 service connections and serves
a disadvantaged community, or to implement rates for the subsumed water system.

Position: Watch
Subject: Water
CALAFCO Comments: This bill would authorize a water or sewer system corporation to file an application
and obtain approval from the PUC through an order authorizing the water or sewer system corporation to
consolidate with a public water system or state small water system that has fewer than 3,300 service
connections and serves a disadvantaged community, or to implement rates for the subsumed water system.
The bill would require the commission to approve or deny the app. Unless the commission
designates a different procedure because it determines a consolidation warrants a more comprehensive
review, the bill would authorize a water or sewer system corporation to instead file an advice letter and
obtain approval from the commission through a resolution authorizing the water or sewer system
corporation to consolidate with a public water system or state small water system that
has fewer than 3,300 service connections and serves a disadvantaged community, or to implement rates
for the subsumed water system.

AB 1822 (Committee on Local Government) Local Government: omnibus.
Introduced: 3/11/2019
Last Amended: 4/8/2019
Status: 6/26/2019-Approved by the Governor. Chaptered by Secretary of State - Chapter 20, Statutes of
2019.

Summary:
Current law requires a commission to develop and determine the sphere of influence of each city and each
special district within the county and enact policies designed to promote the logical and orderly
development of areas within each sphere. Current law requires the commission, in order to prepare and
update spheres of influence in accordance with this requirement, to conduct a service review of the
municipal services provided in the county or other appropriate area designated by the commission, as
specified. Current law defines “sphere of influence” to mean a plan for the probable physical boundaries
and service area of a local agency. Current law defines the term “service” for purposes of the act to mean a
specific governmental activity established within, and as a part of, a general function of the special district,
as specified. This bill would revise the definition of the term “service” for these purposes to mean a specific
governmental activity established within, and as a part of, a function of the local agency.

**SB 272 (Morrell R) Fire Protection District Law of 1987.**

**Current Text:** Amended: 4/4/2019  html  pdf

**Introduced:** 2/13/2019

**Last Amended:** 4/4/2019

**Status:** 5/3/2019-Failed Deadline pursuant to Rule 61(a)(3). (Last location was GOV. & F. on 2/21/2019)
(May be acted upon Jan 2020)

**Summary:**
The Fire Protection District Law of 1987 provides that whenever a district board determines that it is in the
public interest to provide different services, to provide different levels of service, or to raise additional
revenues within specific areas of the district, it may form one or more service zones by adopting a
resolution that includes specified information, fixing the date, time, and place for public hearing on the
formation of the zone, publishing notice, as specified, hearing and considering any protests to the
formation of the zone at the hearing, and, at the conclusion of the hearing, adopting a resolution ordering
the formation of the zone. If a resolution adopted after the public hearing would substantially expand the
provision of services outside of an existing service zone and the extension of service would result in those
persons in the expanded area paying charges for the expansion of services, this bill would provide that the
resolution does not become effective unless approved by a majority of the voters within the expanded
service area.

Position: Watch

**CALAFCO Comments:** As amended, the bill amends the Health & Safety code regarding the formation of
zones within a fire protection district by requiring the district hold an election, regardless of the protest
level, if the district wants to substantially expand (as defined in the bill) services outside the zone. This is
unrelated to 56133. CALAFCO will retain a Watch position.

**SB 414 (Caballero D) Small System Water Authority Act of 2019.**

**Summary:**
Would create the Small System Water Authority Act of 2019 and state legislative findings and declarations
relating to authorizing the creation of small system water authorities that will have powers to absorb,
Improve, and competently operate noncompliant public water systems. The bill, no later than March 1,
2020, would require the state board to provide written notice to cure to all public agencies, private water
companies, or mutual water companies that operate a public water system that has either less than 3,000
service connections or that serves less than 10,000 people, and are not in compliance, for the period from
July 1, 2018, through December 31, 2019, with one or more state or federal primary drinking water
standard maximum contaminant levels, as specified.

Position: Support

Subject: Water
CALAFCO Comments: This bill is very similar to AB 2050 (Caballero) from 2018. Several changes have been made. This bill is sponsored by Eastern Municipal Water District and the CA Municipal Utilities Assoc. The intent is to give the State Water Resources Control Board (SWRCB) authority to mandate the dissolution of existing drinking water systems (public, mutual and private) and authorize the formation of a new public water authority. The focus is on non contiguous systems. The SWRCB already has the authority to mandate consolidation of these systems, this will add the authority to mandate dissolution and formation of a new public agency.

LAFCo will be responsible for dissolving any state mandated public agency dissolution, and the formation of the new water authority. The SWRCB's appointed Administrator will act as the applicant on behalf of the state. LAFCo will have ability to approve with modifications the application, and the new agency will have to report to the LAFCo annually for the first 3 years.

Current Text: Chaptered: 7/10/2019  html  pdf
Introduced: 2/22/2019
Last Amended: 5/7/2019

Summary:
The Mitigation Fee Act, among other things, requires fees for water or sewer connections, or capacity charges imposed by a local agency to not exceed the estimated reasonable cost of providing the service for which the fee or charge is imposed, unless a question regarding the amount of the fee or charge imposed in excess of the reasonable cost of providing the service or materials is submitted to and approved by 2/3 of the electors voting on the issue. The Mitigation Fee Act defines the term "fee" for these purposes. This bill would revise the definition of "fee" to mean a fee for the physical facilities necessary to make a water connection or sewer connection, and that the estimated reasonable cost of labor and materials for installation of those facilities bears a fair or reasonable relationship to the payor's burdens on, or benefits received from, the water connection or sewer connection.

Summary:
Would, for the 2019–20 fiscal year, require the vehicle license fee adjustment amount to be the sum of the vehicle license fee adjustment amount in the 2018–19 fiscal year, the product of that sum and the percentage change in gross taxable assessed valuation within the jurisdiction of that entity between the 2018–19 fiscal year to the 2018–19 fiscal year, and the product of the amount of specified motor vehicle license fee revenues that the Controller allocated to the applicable city in July 2010 and 1.17.

**AB 530**  
(Aguiar-Curry D)  
The Fairfield-Suisun Sewer District.

**Summary:**
Approved by the Governor. Chaptered by Secretary of State - Chapter 69, Statutes of 2019.
Summary:
The Fairfield-Suisun Sewer District Act creates the Fairfield-Suisun Sewer District and grants to the district various powers relating to the treatment and disposal of sewage. The current act provides for the election of a board of directors for the district and administrative procedures for the operation of the district. Violation of regulations adopted by the board is a misdemeanor. This bill would make various administrative changes to the act, including removing the requirement that the district appoint a clerk and changing the posting requirements for regulations.

Position: Watch
Subject: Special District Powers, Special Districts Governance
CALAFCO Comments: This bill makes administrative changes to this special act district. It also allows for an extension of service pursuant to 56133 (keeping that LAFCo process intact).

**AB 948** (Kalra D) Coyote Valley Conservation Program.
Introduced: 2/20/2019
Last Amended: 8/12/2019

Summary:
Current law creates the Santa Clara Valley Open-Space Authority, and prescribes the jurisdiction and functions and duties of the authority. Current law authorizes the authority, among other things, to acquire, hold, and dispose of real and personal property, within the authority's jurisdiction, necessary to the full exercise of its powers. This bill would authorize the authority to establish and administer the Coyote Valley Conservation Program to address resource and recreational goals of the Coyote Valley, as defined. The bill would authorize the authority to collaborate with state, regional, and local partners to help achieve specified goals of the program. The bill would authorize the authority to, among other things, acquire and dispose of interests and options in real property.

Status: 7/12/2019-Failed Deadline pursuant to Rule 61(a)(11). (Last location was GOV. & F. on 5/22/2019)(May be acted upon Jan 2020)

Summary:
Would prohibit, on and after January 1, 2020, the Fallen Leaf Lake Community Services District from providing any services or facilities except fire protection, including medical response and emergency services, and parks and recreation services or facilities.

Position: Watch
CALAFCO Comments: CALAFCO will watch this bill to determine if the outcome of the State Audit on this district will have an impact on all CSDs.

**AB 1457** (Reyes D) Omnitrans Transit District.
Current Text: Amended: 5/24/2019  html  pdf
Introduced: 2/22/2019
Last Amended: 5/24/2019
Status: 7/10/2019-Failed Deadline pursuant to Rule 61(a)(10). (Last location was GOV. & F. on 6/25/2019)(May be acted upon Jan 2020)

Summary:
Would create the Omnitrans Transit District in the County of San Bernardino. The bill would provide that
the jurisdiction of the district would initially include the Cities of Chino, Chino Hills, Colton, Fontana, Grand Terrace, Highland, Loma Linda, Montclair, Ontario, Rancho Cucamonga, Redlands, Rialto, San Bernardino, Upland, and Yucaipa, and specified portions of the unincorporated areas of the County of San Bernardino. The bill would authorize other cities in the County of San Bernardino to subsequently join the district.

CALAFCO Oppose unless amended letter April 2019

**Position:** Neutral
**CALAFCO Comments:** This is a special act district formation. The bill takes what is currently a JPA and transforms it into a special district. CALAFCO has been working with the author and sponsor on amendments and the May 24 version addresses the vast majority of concerns. CALAFCO continues to work with the author and sponsor on minor technical amendments.

**Summary:**
Current law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, makes certain findings and declarations relating to local government organizations, including, among other things, the encouragement of orderly growth and development, and the logical formation and modification of the boundaries of local agencies, as specified. This bill would make nonsubstantive changes to these findings and declarations.

**Position:** Watch
**CALAFCO Comments:** This is a spot bill. The author indicates he has no plans to use this for LAFCo law.

**Summary:**
Current law requires the governing body of a public agency, within 70 days after the commencement of the agency’s legal existence, to file with the Secretary of State, on a form prescribed by the secretary, and also with the county clerk of each county in which the public agency maintains an office, a specified statement of facts about the agency. Current law requires this information to be updated within 10 days of a change in it. Current law requires the Secretary of State and each county clerk to establish and maintain an indexed Roster of Public Agencies that contains this information. This bill would instead require the Secretary of State and each county clerk to establish and maintain an indexed Registry of Public Agencies containing the above-described information.

The Honorable Kansen Chu  
California State Assembly  
State Capital Room 3126  
Sacramento, CA 95814  

Subject: Removal of Opposition - AB 600 (as amended September 4, 2019)

Dear Assembly Member Chu:

The Contra Costa Local Agency Formation Commission (LAFCo) has been following your bill, Assembly Bill 600. As a result of the amendments in the September 4, 2019 version of the bill, we are removing our opposition.

While we are removing our opposition, we still have concerns related to disadvantaged unincorporated communities (DUCs).

LAFCos are aware of and concerned about the disparity of local public services, especially for residents and properties located within these communities. All Californians deserve adequate and safe drinking water and wastewater facilities. We encourage the Legislature to look at service delivery issues and annexation of these communities with a more holistic approach rather than the piece-meal one bill at a time approach.

Allowing residents to say they want services extended does not ensure the service provider will extend the services. Further, extending services without annexation disenfranchises an already disenfranchised community by creating a taxation without representation situation for them. Without annexation the residents have no say in who represents them on the Board of the service provider (via election), nor does it allow them to have a voice should rate issues appear on the ballot. It creates a situation in which they cannot be a full participant in the governance of their own community.

Additionally, one of the primary statutory purposes of LAFCo is to ensure orderly growth. Extending services on an individual basis or by service category without annexation only serves to undermine the very purpose of jurisdictional boundaries and sphere of influence plans.
We strongly believe that local control is best and that decisions should take local circumstances and conditions into account. This means that there is no “one-size fits all” solution.

We also believe a collective stakeholder dialogue with reasonable and systemic solutions to the problem coupled with adequate funding for infrastructure and maintenance are required to solve this complicated statewide issue of addressing the needs of these communities. We suggest the definition of a DUC be re-examined and updated to reflect the true nature and scope of a disadvantaged community.

Please contact me with any questions you have about the removal of our opposition to AB 600 or our ongoing concerns.

Sincerely,

Tom Butt, Chair
Contra Costa LAFCo
