Current law defines various terms for purposes of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. This bill would revise various definitions within that act, and would make other conforming and technical changes.

CALAFCO Letter of Concern - 29 March 2011

**Position:** None at this time

**Subject:** Disadvantaged Communities

**CALAFCO Comments:** Amended to require LAFCo review of disadvantaged unincorporated communities. It adds a definition for disadvantaged unincorporated communities, requires LAFCo to review water, sewer and fore services to the communities in the next SOI update, places more emphasis on LAFCo recommendations on reorganizations for efficient and effective services, requires LAFCo to identify service deficiencies to these communities in MSRs, and specifically requires LAFCo to assess alternatives for efficient and affordable infrastructure and services, including consolidations, in MSRs. Bill requires LAFCo to look at communities "in or adjacent to the sphere of influence."

# Summary:

Would provide that every city with a population of less than 150 people as of January 1, 2010, would be disincorporated into that city's respective county as of 91 days after the effective date of the bill, unless a county board of supervisors determines, by majority vote within the 90-day period following enactment of these provisions, that continuing such a city within that county's boundaries would serve a public purpose if the board of supervisors determines that the city is in an isolated rural location that makes it impractical for the residents of the community to organize in another form of local governance. The bill would also require the local agency formation commission within the county to oversee the terms and conditions of the disincorporation of the city, as specified.

Position: None at this time

**Subject:** Disincorporation/dissolution

**CALAFCO Comments:** As written this bill applies only to Vernon, California. It bypasses much of the C-K-H disincorporation process, leaving LAFCo only the responsibility of assigning assets and liabilities following disincorporation.

#### Summary:

Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, the state is required to provide a subvention of funds to reimburse the local government. With regard to certain mandates imposed on a city, county, city and county, or special district that have been determine to be payable, the Legislature is required either to appropriate, in the annual Budget Act, the full payable amount of the mandate, determined as specified, or to suspend the operation of the mandate for the fiscal year. The California Constitution provides that the Legislature is not required to appropriate funds for specified mandates.

**Position:** None at this time **Subject:** LAFCo Administration

**CALAFCO Comments:** Changes state mandate law in a proposed constitutional amendment. Included is specific language that releases mandate responsibility if the local agency can change an individual or applicant for the cost of providing the mandated service. Would likely exempt some mandates to LAFCo from state funding.

# SB 31 (Correa D) Local government: lobbyist registration.

#### **Summary:**

Would enact a comprehensive scheme to regulate lobbying entities, as defined, that lobby local government agencies, including requirements to register and make periodic reports regarding certain lobbying activities. The bill would require each local government agency to create a commission to implement and enforce the provisions of the bill. By requiring local government agencies to implement a new program, the bill would impose a state-mandated local program. This bill contains other related provisions and other current laws.

Position: Watch

**Subject:** LAFCo Administration

**CALAFCO Comments:** Would require any "local government agency" to establish a commission to regulate lobbyists and lobbying activities of that agency and prepare periodic reports. Would appear to include LAFCo, although "local government agency" is not defined. In some ways similar to the recent laws requiring disclosure to LAFCo of financial contributions regarding a LAFCo decision.

This bill would, until January 1, 2019, require each designated employee who is required to file statements under a conflict of interest code to include, as a part of that filing, a compensation disclosure form that provides compensation information for the preceding calendar year. This bill contains other related provisions and other current laws.

**Position:** None at this time **Subject:** LAFCo Administration

This bill would make a technical, nonsubstantive change to that act.
