Current and Potential LAFCO Applications

Dear Members of the Commission:

SUMMARY

This report identifies active applications on file with Contra Costa LAFCO as well as potential applications. This report is presented for information only.

DISCUSSION

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (“CKH”) delegates LAFCOs with regulatory and planning duties to coordinate the formation and development of local government agencies and their municipal services. This includes approving and disapproving boundary changes, boundary reorganizations, formations, mergers, consolidations, dissolutions, incorporations, sphere of influence (SOI) amendments, and extension of out of agency services. Applications involving jurisdictional changes filed by landowners or registered voters are placed on the Commission’s agenda as information items before action is considered by LAFCO at a subsequent meeting (Gov. Code §56857).

There is currently one approved proposal awaiting completion, four current applications that are either incomplete and/or awaiting a hearing date, and several potential applications.

Current Proposals – Approved and Awaiting Completion

✚ Chang Property Reorganization (LAFCO 18-06)

This is an application filed by the landowner to annex 66.92± acres to the City of San Ramon, Central Contra Costa Sanitary District (CCCSD) and East Bay Municipal Utility District (EBMUD) and detach the same area from County Service Area (CSA) P-6. The subject area is located at the intersection of Crow Canyon and Bollinger Canyon Roads in unincorporated San Ramon. The Commission approved the boundary reorganization in August 2017 with conditions. One of the conditions has not yet been met. The applicant has requested and received several extensions of time with the current extension to July 9, 2022. At the June 8, 2022 LAFCO meeting, the Commission approved a time extension to December 31, 2022 to complete the easement.

Current Applications – Under Review

+ LAFCO Tassajara Parks Project – Boundary Reorganization (LAFCO 16-06)

This is an application filed by the landowner to annex 30± acres to Central Contra Costa Sanitary District (CCCSD) and East Bay Municipal Utility District (EBMUD). The project includes development of 125 single-family homes. The subject area is located east of the City of San Ramon and the Town of Danville. The application is currently incomplete. The project is currently being litigated.

+ LAFCO Tassajara Parks Project – SOI Amendments (LAFCO 16-07)

This is an application filed by the landowner to amend the SOIs for CCCSD and EBMUD by 30± acres in anticipation of corresponding annexations. The application is currently incomplete. The project is currently being litigated.

+ Faria Southwest Hills – Boundary Reorganization (LAFCO 21-04)

This is an application filed by the City of Pittsburg to annex 606± acres to the City of Pittsburg, Contra Costa Water District and Delta Diablo, and detachment from CSA P-6. The project includes development of up to 1,500 residential units. The application is currently incomplete. On February 9, 2022, Contra Costa County Superior Court ruled that the City of Pittsburg violated CEQA. The Court issued a writ of mandate compelling the City to set aside the project approvals and the certification of the Final EIR, and that any further consideration of the project must comply with CEQA and be consistent with the Court's ruling. On August 15, 2022, the Pittsburg City Council voted to repeal and set aside all approvals for the Faria/Southwest Hills Annexation Project.

Potential and Other Applications

On April 14, 2021, LAFCO approved the extension of out of agency water service by the City of Martinez to the Bay's Edge Subdivision 9065 located in unincorporated Martinez (Mt. View). LAFCO's approval was conditioned on commitment from the City to submit to LAFCO an application to annex the subject parcels to the City of Martinez by *August 31, 2022*, in the event the entirety of Mt. View is not annexed to the City prior to that date. On August 10, 2022, the Commission approved extending the time to submit the annexation application to August 31, 2023.

There are currently several potential applications that may be submitted to Contra Costa LAFCO in the future including annexations to Byron Bethany Irrigation District, City of Brentwood, City of Concord, City of Martinez, and West County Wastewater District.

The Commission initiated dissolution of CSA R-9. The matter was continued to February 2023 to allow additional time for community input.

RECOMMENDATION – Informational item – no actions required.

Sincerely,

LOU ANN TEXEIRA
EXECUTIVE OFFICER
