Agenda Item 9

Contra Costa Local Agency Formation Commission  
40 Muir Road, 1<sup>st</sup> Floor  
Martinez, CA 94553

### Current and Potential LAFCO Applications

Dear Members of the Commission:

**SUMMARY:** This is an informational item describing active and potential LAFCO applications.

**DISCUSSION:** The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 gives LAFCOs regulatory and planning duties to coordinate the formation and development of local government agencies and their municipal services. This includes approving and disapproving boundary changes, boundary reorganizations, formations, mergers, consolidations, dissolutions, incorporations, sphere of influence (SOI) amendments, and extension of out of agency services (OAS). Applications involving jurisdictional changes filed by landowners, registered voters, and local agencies are placed on the Commission’s agenda as information items before action is considered by LAFCO at a subsequent meeting (Gov. Code §56857).

There is one proposal awaiting completion, two current applications that are either incomplete and/or awaiting a hearing date, and several potential applications.

#### Current Applications – Under Review/Pending

- ✚ Castro Ranch Road - Annexations to East Bay Municipal Utility District (EBMUD) and West County Wastewater District (WCWD) (LAFCO 24-02) - On March 28, 2024, the landowners filed an application with LAFCO to annex 97.62± acres to EBMUD and WCWD. A request to transfer jurisdiction from Alameda LAFCO to Contra Costa LAFCO was approved by Alameda LAFCO on May 9, 2024. The County expressed concerns regarding this proposal. The landowners indicate they will not pursue annexation at this time. Instead, they will pursue on-stie septic and wells systems and are currently working with the County Environmental Health Department. The application is currently on hold.
- ✚ Tassajara Parks Project – SOI Amendment (LAFCO 16-07) and Boundary Reorganization (LAFCO 16-06) – In 2016, the landowner (Vicky Chang) filed applications to amend the SOIs of Contra Costa County Sanitary District (CCCSD) and EBMUD and annex to both districts (30± acres) to develop 125 single-family homes. The subject area is located east of the City of San Ramon and the Town of Danville.

The previous landowner recently sold the property and terminated the LAFCO applications. The new property owner recently contacted LAFCO regarding potential SOI amendments and annexation of the subject property. To date, no new applications have been filed.

EBMUD continues to oppose the project and indicates they will not be the water provider (or have the water supply to serve the project). This is consistent with their resolution passed on June 8, 2021. EBMUD staff notes they had meetings with the prior developer (and one where the County was included) to discuss the project. However, EBMUD staff has consistently reiterated their Board's position. EBMUD staff continue to participate in meetings as needed.

**Potential and Other Applications**

There are several potential applications that may be submitted to LAFCO in the near future including an annexation to West County Wastewater District and an annexation to Byron Bethany Irrigation District. Also, since completion of the 2021 *Park & Recreation Municipal Services Review*, the Commission discussed dissolving County Service Area R-9. The matter was continued to March 2025 to allow additional time for community input and potential funding.

**RECOMMENDATION** – Informational item – no actions required.

Sincerely,

LOU ANN TEXEIRA  
EXECUTIVE OFFICER
